Statement of intent

Cromer Road School recognises that certain groups in society have historically been disadvantaged on account of unlawful discrimination they have faced on the basis of their race, gender, disability, religion/belief, sexual orientation or age.

This policy puts in place a range of actions to eliminate prejudice, unlawful discrimination and victimisation within the school community and workforce.

- Age
 - Disability
 - Race, colour, nationality, ethnic or national origin
 - Sex (including transgender people)

2. Principles and aims

- 2.1. We see all learners and potential learners, and their parents and carers, as of equal value, regardless of their race, gender, disability, religion/belief, sexual orientation or age.
- 2.2. Our policies, procedures and activities must not discriminate but must nevertheless take account of differences of life-experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to their race, gender, disability, religion/belief, sexual orientation or age.
- 2.3. Cromer Road School promotes race equality and has due regard to eliminate unlawful racial discrimination, promotes equality of opportunity and promotes good relations between people of different racial groups.

- 2.4. Cromer Road School promotes disability equality throughout the school, ensuring equality of opportunity, eliminating unlawful discrimination, eliminating disability-related harassment and encouraging participation by disabled people in public life.

For the purposes of this policy, the term 'transgender' refers to an individual whose gender expression or identity is different from that traditionally associated with the sex they were assigned at birth. This school respects the confidentiality of those seeking gender re-assignment and will provide a supportive environment within the social community.

 - Observes good equalities practice in staff recruitment, retention and development, and ensures that all policies and procedures benefit all employees and potential employees regardless of their race, gender, disability, religion/belief, sexual orientation or age, and with full respect for legal rights relating to pregnancy and maternity.
 - Reduces and removes inequalities and barriers that already exist.
 - Engages with a range of groups and individuals to ensure that those who are affected by a policy, procedure or activity are consulted and involved in the design of new policies, and in the review of existing ones.
 - Ensures that policies, procedures and activities benefit society as a whole, both locally and nationally, by fostering greater social cohesion, and greater participation in the public life of everyone, regardless of their race, gender, disability, religion/belief, sexual orientation or age.

- Ensures staff promote an inclusive and collaborative ethos in the school, challenging inappropriate language and behaviour, responding appropriately to incidents of discrimination and harassment, and showing appropriate support for pupils with additional needs, maintaining a good level of awareness of issues surrounding equalities.
